SOUTHERN COUNTRY PARK OF

Friends of Southern Country Park is a group formed to get the most out of the Park by giving back as much as possible.

- to promote, through volunteers, the involvement and education of the community in conserving and enhancing the Park
- to assist in the implementation of the Park's five year plan
- to channel information to and from East Herts Council (EHC) and Countryside Management Service (CMS)
- to act as consultees with EHC and CMS regarding management of the Park

These aims are fulfilled by:

- working closely with and providing advice and suggestions to EHC and CMS
- undertaking practical conservation work
- other activities and events beneficial to the local community

EHC contact details:

Call 01279 655261 and ask to speak to the Environmental Services Team or email: operations.admin@eastherts.gov.uk

Friends contact details:

Call 01279 507461 and speak to Andy White or email: andy.r.white@btinternet.com

Involvement (as an active volunteer or a passive supporter) is open to anyone interested in supporting the work and aims of the group.

The aims of the group are:

- to help maintain and improve biodiversity in the Park
- to involve local people in the Park and secure their enjoyment
